Briefing Document for Administrator Pruitt

MEETING WITH THE INSTITUTE OF PRINTED CIRCUITS (IPC)

DATE: May 2, 2017

LOCATION: Administrator's Office

MEETING TIME: 2:00 PM

I. PURPOSE

To have the Administrator meet with a group of 20-25 CEOs and other C-Suite Level Executives of IPC- Association Connecting Electronics Industries' member companies. The group is here as part of their annual Executive Fly-in, and meeting with other top Administration officials and Members of Congress.

II. BACKGROUND

IPC represents the entire electronics manufacturing supply chain that is heavily impacted by EPA regulations. IPC strives to be a constructive stakeholder in EPA's regulatory and rulemaking processes. Discussion topics for the meeting could include, the legislative and regulatory goals of EPA as they relate to the electronics supply chain, and future mission of EPA. Additionally, discussion could include the Administration's efforts to reform the burdensome regulatory process, which will help American businesses thrive and create more jobs in the U.S.
